The most up to date version of this document will be online at www.macclesfieldsnooker.co.uk

This is based on no minimum/ Maximum handicap

Every tier goes up 8 points. The Maximum handicap that can be applied in any frame of snooker is +70 (tier1 v tier10)

To enable the Handicaps to be kept as accurate as possible, it's important that Frame scores are recorded on the Results cards. In the case of someone conceding a frame please record at what point they conceded. IE '2 Reds' would indicate 43 points left, 'Brown' would indicate 22 point left on the table.
